After a lot of rain during the night our day at Paper Mill turned out to be fine and sunny. The water temperature made the fishing challenging and most fish were caught four feet down or on the bottom. Seventeen members fished and 25 fish were caught. The best bag was caught by John Hart with 3 fish weighing in at 8 lb 7 oz, all on the fly. Second was Terry Shipton with 3 fish totalling 7 lb 10 oz again all on the fly. Des Williams was third with 3 fish which were caught on the worm. A good day out was enjoyed by one and all.
